

Bridal Shower Purse Game

Break the bridal shower guests into teams with 2 to 4 people on each team. Give each team one of these game sheets. Each team will have 10 minutes to rifle through their purses to find the objects on the list (even if all people in a team have an item, it only counts once). At the end of the 10 minutes, each team adds up the number of points they scored (easy items are worth less points than rare purse items) and the team with the most points wins the game. It is fun to have the winning team read out loud all the objects they found in their purse—you'll be surprised at who carries around a pet rock!
